# MISSION & VISION

Liu Jo rappresenta una dichiarazione di libertà ed espressione di sé per donne e uomini emancipati, poliedrici e a proprio agio nell'abbracciare la vita e le sue contraddizioni con determinazione, entusiasmo e un'attitudine *glam e nonchalant*.

Fondata a metà degli anni '90 grazie all'intuizione dell'imprenditore Marco Marchi, motivato a celebrare le donne e la loro naturale bellezza, promuove l'*empowerment* della loro identità seducente, energica e sicura di sé.

L'azienda - oggi parte del gruppo Exelite - è cresciuta fino a diventare uno dei principali *player* del segmento *premium contemporary* nel panorama della moda italiana, con un'offerta articolata in diverse categorie merceologiche ed una presenza capillare nei principali mercati internazionali.

In linea con la visione del suo fondatore, Liu Jo è pensata per donne energiche e dinamiche, spiriti liberi che hanno a cuore il prossimo, il pianeta e la propria *community*. Liu Jo nasce per ispirare e celebrare la seduzione, l'eleganza inaspettata, la raffinatezza ardita e un'attitudine di *coolness* quotidiana.

Forte del *savoir faire* italiano e contando su una catena del valore integrata che da Carpi, in Italia, abbraccia diversi distretti manifatturieri, Liu Jo propone collezioni di abbigliamento donna, uomo e kids, collezioni mare, calzature e pelletteria, gioielli e orologi oltre a profumi, prodotti beauty e occhiali.

*LIU JO stands for freedom and self-expression. It's meant to be the house for empowered men and women, multifaceted people who are at ease with their contradictions, eagerly embracing their paths of life with boldness, enthusiasm and glam effortlessness.*

*Liu Jo was launched in the middle of the 1990s as a bold intuition of entrepreneur Marco Marchi to celebrate women and their natural beauty. The main aim was to empower their seductive, energized, confident and unique selves.*

*The company - flagship of the Exelite Group - has grown into a major Italian fashion player in the premium contemporary segment with a diversified offering across categories and a widespread presence in key international markets.*

*True to its founder's original vision Liu Jo is tailored on unapologetic, dynamic, and free-spirited women standing united, caring for people, for the planet and their community. It's meant to inspire and celebrate effortless seduction, unexpected elegance, bold sophistication, and a cool everyday flair.*

*Building on Italian savoir faire and an integrated value chain around the renowned manufacturing hub of Carpi - Italy, Liu Jo offers women's and men's ready-to-wear collections, kid's wear, beachwear, as well as footwear and leather goods, jewelry and watches, in addition to fragrances, beauty products and eyewear.*
