

SPARKLING

A woman with blonde hair pulled back is seated, looking off to the side. She is wearing a strapless, off-the-shoulder dress made of long, white feathers. She is adorned with several pieces of jewelry: large blue and yellow earrings, a necklace with a blue pendant, a ring on her right hand, and multiple colorful beaded bracelets on both wrists. The background consists of dark wood paneling and a dark brick wall.

Mix & Match with Sparkling

No treasure is too shiny or shimmery for our Sparkling collections. From their liveliness and playfulness to their unique, one-of-a-kind characteristics, no two pieces of our jewelry are ever the same. Stones come in all shapes and sizes. So do their natural-occurring inclusions. We are here to help you choose the gems and unique qualities that fit your personality.

STACK *YOUR* **FAVORITE** RINGS

A winning choice for ring-loving women. Just like people, every jewelry stack has its own characteristics: its colors, its layers, its gems, its materials. Sparkling rings are made to be worn either together or stand-alone and complement each other through those distinguishing aspects. Every Sparkling ring (9-carat) has its own appeal and is the ultimate way to create a perfectly dazzling stack.

Warranty Conditions

Sparkling products are designed and manufactured according to international quality standards. All our jewelry is made of 925 sterling silver with rhodium plating, 14kt gold plating or 18kt rose gold plating (nickel free). With the exception of our Sphere collection, which is made of bronze with a silver and rhodium plating, 14kt gold plating or 18kt rose gold plating; our golden rings, which are made of 9 karat 375 gold; and the branded labels on our bracelets, which are made of stainless steel with a PVD coating.

All Sparkling products have a warranty period of 6 months for wear and tear and 2 years for manufacturers defects, valid from the original date of purchase (provable with a printed receipt). Our beaded bracelets have a lifetime plating guarantee on the plating of the beads, with the exception of the branded label.

Defect jewelry that applies to our warranty terms, will be repaired or replaced free of charge. Unreasonable or inconsistent use, changes or repairs made by unauthorized persons and fall damage of our gemstones will void the warranty. The warranty applies to manufacturing defects and hidden defects validated by our experts. The warranty does not cover the following: damage resulting from improper use, negligence, accidents, break and cracks in chains and normal wear and tear.
