

A woman with dark hair is standing on a boat, leaning against a rope railing. She is wearing a white, long-sleeved jumpsuit with intricate lace cutouts. She has her hand on her forehead, looking towards the camera. The background shows a blue sea and a sunset sky with warm orange and yellow light. The overall mood is romantic and elegant.

## Mix & Match with Sparkling

At Sparkling Jewels we believe in jewelry as a form of self-expression, layered and ever-evolving. Our collections are designed to mix, match and transform, allowing you to create pieces that reflect who you are. From interchangeable gemstones to refined chains and vibrant beads, every element is thoughtfully crafted to let your style shine in its own way. Because no one is like you and your jewelry shouldn't be either.

## STACK YOUR FAVORITE RINGS

*A winning choice for ring-loving women. Just like people, every jewelry stack has its own characteristics: its colors, its layers, its gems, its materials. Sparkling rings are made to be worn either together or stand-alone and complement each other through those distinguishing aspects. Every Sparkling ring has its own appeal and is the ultimate way to create a perfectly dazzling stack.*

## Warranty Conditions

Sparkling products are designed and manufactured according to international quality standards. All our jewelry is made of 925 sterling silver with rhodium plating, 14kt gold plating or 18kt rose gold plating (nickel free). With the exception of our Sphere collection, which is made of bronze with a silver and rhodium plating, 14kt gold plating or 18kt rose gold plating; our golden rings, which are made of 9 karat 375 gold; and the branded labels on our bracelets, which are made of stainless steel with a PVD coating.

All Sparkling products have a warranty period of 6 months for wear and tear and 2 years for manufacturers defects, valid from the original date of purchase (provable with a printed receipt). Our beaded bracelets have a 10-year plating guarantee on the plating of the beads, with the exception of the branded label.

Defect jewelry that applies to our warranty terms, will be repaired or replaced free of charge. Unreasonable or inconsistent use, changes or repairs made by unauthorized persons and fall damage of our gemstones will void the warranty. The warranty applies to manufacturing defects and hidden defects validated by our experts. The warranty does not cover the following: damage resulting from improper use, negligence, accidents, break and cracks in chains and normal wear and tear.
