

A woman with dark, curly hair is the central figure. She is wearing a light beige trench coat with dark buttons and matching trousers, cinched with a brown leather belt. Underneath, she wears a white tank top. Her accessories include a gold chain necklace with a small pendant, gold hoop earrings, a gold ring on her left hand, and a gold bangle on her right wrist. She is holding a newspaper over her head with both hands, looking upwards and to the side. The background is a wall with a natural stone or marble pattern. The overall aesthetic is chic and sophisticated.

SWAN LAKE

Drawing from the elegance of Swan Lake, the ballet, this collection captures the grace of a dancer in motion—the soft curve of a pirouette, the gentle bend of a dancer's lifted arm. STARLIT DROPS

A collection for the woman who finds beauty where others merely glance. The Starlit Drops collection mirrors this perceptive nature through celestial touches: fluid droplet designs that catch the light, delicate star accents, and our signature initial necklaces from A to Z. With airy layering, these pieces capture that quiet moment when her knowing smile turns everyday scenes into something special.

RIPPLE JOY

For those who wear joy as their mother tongue. The Ripple Joy collection orchestrates joy through a visual rhythm: butterfly wings caught mid-beat, gradient gemstones that dance in lush green cadence, and station chains linking every movement into perfect harmony. Designed for playful layering, these styles spark the unguarded laughter she brings to everyday moments.

TIDE ECHO

For the woman who moves with the quiet power of the ocean — her laughter bright as sunlit waves, her freedom as boundless as the horizon. This collection embraces empowered silhouettes through horn pendants, lariat necklaces, and twisted rope designs, mixed with textured chains for natural movement. Bohemian-inspired symbols like the serpent and the evil eye add a mystic edge, embodying her untamed yet effortless spirit.
