Novelties 2025

Schramberg, October 2024

The year 2024 was a time of significant challenges and change, and we are deeply grateful for your trust in Junghans as we overcame these obstacles together.

With optimism and shared effort, we believe there are no limits to what we can achieve. We are excited to continue this journey with you and look forward to making 2025 a year of success and growth, side by side.

The visual materials of the novelties 2025 are for internal planning purposes only and may not be used in any way for analog or digital communication on your or your customers channels beforehand.

Technical specifications, delivery timelines, and prices are still subject to change.

We are currently working on our brand positioning. Therefore, the marketing content will follow.

The perfect balance of sporty design and classic elegance

The new Sport models in Quartz and Automatic impress with their sportiness and modernity, while still retaining the classic design of the Meister line.

Thanks to their smaller diameter, they not only offer a modern look, but also maximum wearing comfort.

The different technologies also open up new possibilities for active lifestyles without having to compromise on elegance.

DIE ERSTE UND EINZIGE FUNKARMBANDUHR DER WELT. Sie ist die Vollendung der Zeit, denn eine miniaturisierte Funktechnik macht die JUNGHANS MEGA 1 zur genauesten Armbanduhr, die es gibt. Über Funk ist sie mit der offiziellen Zeitbasis der Physikalisch-Technischen Bundesanstalt in Braunschweig verbunden. So geht sie immer absolut präzise und braucht nie gestellt zu werden. Ihre faszinierende Funktechnik ermöglicht selbst ein automatisches Umstellen auf

Sommer- und Normalzeit. Und ihr interner Zeitspeicher sorgt dafür, daß sie die genaue Zeit nie verliert. Deshalb ist die JUNGHANS MEGA 1 die Uhr der Zukunft, für Leute, die Sinn haben für modernste Technik. Es gibt die JUNGHANS MEGA 1 in fünf verschiedenen Ausführungen. Ab DM 399,-* Preisangabe

 **JUNGHANS MEGA 1**
Und plötzlich stimmt die Zeit. Für immer.

 **JUNGHANS**

MEGA the ORIGINAL: Digital retro chic Celebrate

35 years of innovation and groundbreaking design with us! In 1990, the Mega 1 revolutionized watch technology as the world's first radio-controlled wristwatch and set new standards in the industry. To mark this anniversary, we are bringing the unique retro design back in time with the Mega1000 and Mega Futura models.

These digital classics from Junghans are the perfect blend of nostalgic charm and contemporary comfort - a tribute to the past that inspires today! Simply MEGA.
